Description

1 Storey stand-alone Villa, located in a premium location, between British School and American School in the Pipera neighborhood.

Located between British School and American School in Pipera

Completed in 2005, the villa features a generous garden, beautifully landscaped, ideal for relaxing activities, but also a roof terrace, with the possibility of converting into a floor or attic.

The layout of the space is carefully planned: the villa features a spacious and bright living room, a fully equipped kitchen, 3 bedrooms, 4 bathrooms, an office and 3 balconies on the upper level.

Among the facilities are the 3 parking spaces, the quality finishes, such as parquet on the entire surface of the rooms, ceramic walls and floor tiles in the kitchen and bathroom, air conditioning and individual heating system.

The villa also has two rooms located in the basement. Renovated in 2014, the building is modernly furnished and equipped, ideal for a family with children.

The Pipera neighborhood is located in the North-East part of Bucharest. It is bordered on the North by Soseaua de Centura and the Tunari neighbourhood, on the East by the town of Voluntari, on the West by the Baneasa and Aviatiei neighborhoods, on the South by Tei Lake.

The Pipera neighborhood allows quick access to Baneasa and Otopeni airports, to the new Bucharest-Ploiesti highway, but also to the Baneasa commercial area and the Pipera industrial platform, where numerous office buildings have recently developed.

Regarding the public transport, the Pipera metro station connects with the center of Bucharest, but there are also STB lines in the vicinity of the villa, such as the 135 and 301 lines.

In Pipera there are many top educational units, including the American School and the British School, famous in the capital.
