Description

This one bedroom apartment lays in a very luxurious area of Bucharest Baneasa - Pipera, very near to Otopeni Airport (only 10 minutes away). Near by you will have a lot of options: Zoo and Jolie Ville is situated in a walking distance, same with public transportation or some private schools and supermarkets. 2 minutes away you can go shopping or watch a movie in the best shopping mall that Bucharest has to offer very near to the USA Embassy called Baneasa Shopping City (Mall). In the same area you have also Ikea and huge supermarkets like Carrefour and Metro.

I recommend this luxurious apartment not just because of the area and everything it has to offer, but also because it is in a new building with only 36 apartments which has only beautiful houses around. The space is very generous inside of the apartment but also outside with a very spacious lounge where you can read, relax and have a cup of tea or coffee.
