Description

Tucked away in a quiet corner of the Iancu Nicolae – Pipera area, this recently renovated villa tells a story of balance, light, and harmony. Everything around it breathes that pleasant air of an elegant suburb: clean streets, mature trees, cozy cafés, and a community that values peace without giving up the convenience of the city.

A home filled with light, warmth, and harmony in a premium area

The house welcomes you with a sense of warmth. The spaces are bright, the colors soft, and there's a fresh feeling throughout – a sign that everything has been carefully renewed, with taste and attention to detail. It's the kind of place where you can unwind after a busy day, enjoy a family dinner, or sip your morning coffee in silence, listening to the birds in the garden.

The Iancu Nicolae area has a rare charm – close to everything you need, yet calm and private enough to truly feel at home. You'll find good schools just minutes away, lovely restaurants, green spaces, and quick access to the city, without the noise and rush that usually come with it. It's a place where life flows a little slower, but with every modern comfort within reach.

This house isn't just a beautiful space – it's an invitation to a balanced lifestyle, where nature meets the city, elegance meets simplicity, and every day feels a little more like home.
