### Description

The special villa is located in the Aviatiei area.

#### Details:

Built in 2005 with great attention to the smallest villa details will pleasantly surprise you.

Partitioning was done so as to separate the restroom room from the living room and the kitchen, each room being naturally lighted.

Located in the Aviatiei neighborhood near the Promenade Mall, Floreasca Park or Crystal Palace and minutes away from the Aurel Vlaicu subway, the villa is located on the ground floor, floor and attic, with a usable area of 180 sqm.

Each floor has 2 separate bedrooms and the finishes have been carefully selected from the premium category.

At the basement with access both inside and outside we find the garage that can serve and the storage area is secured by the electrically operated gate.
