Description

High end, premium, 4 bedroom villa in the popular Oxford Gardens residential complex in Pipera. This complex is opposite the American International School of Bucharest (AISB) and has been designed with wide streets, several secured access points and 5 different types of modern houses.

Highly mixed international community with many expats and locals living here together. In the complex there are tennis facilities and a facility management team that takes care of the compound maintenance and individual houses maintenance on request.

This fully renovated house offers a lot of comfort and has the following layout:

- On the ground floor you find a large and bright living room with hard wooden floor, a fully equipped kitchen with marble flooring of spectacular design, a guest toilet and garage, which now is in use as fitness area.
- The wooden stairs take you to the first floor where you will find 3 spacious bedrooms with each an en suite bathroom. The master bedroom also has a nice spacious custom made dressing.
- The attic can be accessed with fixed wooden stairs and has an open area that can be used as a recreational area, a shower with laundry area and a kitchenette. This space can also be turned into a bedroom.
- The garden is well arranged with a covered terrace and an artificial green grass area (low maintenance and great for kids). The orientation is West.
