Public transport to the city of Bucharest provided every 30 minutes

A residential complex that offers all the benefits of a European-style town.

Discover a bright and welcoming apartment, located in the heart of the Cosmopolis residential district – a place where comfort and community blend perfectly.

The property has a total area of 50 sqm and offers you:

- 1 comfortable bedroom
- Open-space living room with a modern kitchen, carefully furnished and equipped with brand-new Italian furniture
- A metal structure in the central area of the living room, elegantly separating the kitchen from the relaxation space

- Individual heating system and quality finishes, including ceramic tile flooring
- Outdoor parking space right in front of the building
- Beautiful view towards the swimming pool

The apartment was completely renovated in 2023 and has only been lived in for 3 months. The improvements include:

- Enclosing the terrace with high-quality double-glazed windows, making the balcony usable even during winter, without getting cold
- Replacing the parquet with ceramic tile flooring, for enhanced durability and easy maintenance
- Replacing the sink and shower cabin with superior-quality options compared to the developer's standard installations
- Adding extra storage cabinets for optimal functionality
- Installing a new lighting system

This renovation has created an additional functional and comfortable space, ideal even for setting up a home office.

The apartment is move-in ready, requires no further investment, and **the price is negotiable.**
