Description

Otopeni Ferme is one of the main high end and fastest developing neighborhoods just passed the Otopeni airport close to the Ana Aslan institute. In this neighborhood you find clean and wide asphalted roads, a modern sewage, public water supply and sufficient electricity and gas supply.

Excellent as residence or as representative office

Modern, airy and green surroundings makes living here or running your company from here a much more pleasant experience. Fresh air and space, a lot of space!

This villa has been constructed with the best materials and comfort in mind. For the last few years this property was rented to a large rental company and since they have left the owners have done a full renovation.

A 750 sqm property on a 1.500 sqm land plot with a large opening to the street. This property comes with a double garage and a covered swimming pool.

Keywords to highlight this property:

Bright, spacious, solid, premium, green, value, quality and many more!
