Description

Special apartment with fireplace, sauna, located near Herastrau Park.

Apartment with heating system, A/C and appliances near Herastrau Park

The building, built in 2007, is a few steps from the park, thus being protected from the specific hustle and bustle of the Northern Road.

The apartment was initially composed of 5 rooms, but the owner gave up one of the rooms and a bathroom, thus obtaining a living-dining area of 100 square meters, spectacular, absolutely gorgeous, unusual for an apartment.

The apartment is located on the 4th floor, has a beautiful, panoramic view of the surroundings, without being blocked by other buildings.

It has a built area of 232 square meters and is divided into 3 rooms, a living room, open kitchen and 2 bathrooms.

The apartment has the following benefits:

- Functional living room fireplace
- Sauna in the bathroom
- Storage rooms

- 2 large balconies
- 2 parking spaces in the basement

The large glazed surfaces ensure excellent natural lighting together with modern finishes ensure a very quiet, spacious and comfortable space.

Other features:

- A/C
- Individual heating system
- Dishwasher
- Washing machine
- Alarm system
- Plasma TV 126cm
- Microwave
- Tinted nets
