Description

Modern villa, located near the British School

The villa is very well divided into a living room, four bedrooms, a kitchen and four bathrooms; and it expands on a ground floor plus two floors height regime. The villa benefits from a floor heating system next to the radiator and air flow ones.

Another advantage is given by the existence of a swimming pool in the 300 sq.m neat yard.

The property is placed in an exclusive compound next to other nine villas, has 24/7 guard and video surveillance, with full maintenance services and offers quick access to multiple interest points as the British School and the American School.
