Description

BLISS Imobiliare presents a premium 2 bedroom apartment located in a new block of flats built in 2020, right on Unirii Boulevard.

Close to STB stations, trams, as well as Unirii metro station.

The building has a usable area of 65 square meters efficiently compartmentalized:

- A living room with a dining area and open kitchen, fully equipped including dishwasher;
- 2 bedrooms, each with a desk;
- 2 Bathrooms, one with bathtub;
- Very generous terrace that can be arranged as a place to relax.

When designing, the services of an architect with the best quality finishes were used. The apartment is fully furnished luxuriously, minimalist, the color combination being very carefully chosen.

The positioning is at the back, so that the building is protected from the noise of the crowded boulevard.

The area is very efficient in terms of transport, being close to STB stations, trams and Unirii metro station.
