Description

Discover elegance and functionality in this modern Nordic-style house, located in the prestigious Millo Village residential complex. With a height regime of Ground Floor + 1 + Habitable Attic, this property offers a spacious and comfortable living space for the whole family.

Secure Residential Complex: Enjoy Peace of Mind in Your New Rental Home

Boasting a usable area of 187 square meters and a well-kept courtyard of 70 square meters, this house impresses with attention to detail and high-quality finishes. Two parking spaces are included for your convenience.

The heating system is provided by a Viessmann central heating boiler with underfloor heating, ensuring optimal thermal comfort throughout the home. With air conditioning and wireless internet access, this house seamlessly blends technical perfection with modern comfort. Premium finishes include Egger 8mm laminate flooring, ceramic tiles, laminate interior doors, and high-quality sanitary ware from Italy and Spain.

The 15 cm polystyrene thermal insulation ensures a high level of energy efficiency, while the Salamander 6-chamber triple-glazed windows contribute to the thermal and acoustic insulation of the property. The metal front door completes the security level of the property.

This house represents an opportunity to live in modern Nordic style, in a privileged location with easy access to local

amenities and services.
