Description

Apartment located in the very center of Bucharest, a couple of steps near Intercontinental Hotel and Italian Church, with a splendid view from its 7th floor directly on Nicolae Balcescu Boulevard.

Having a usable surface of 85 sqm, elegantly compartmentalized, warm, cozy and welcoming, it keeps something of "the interwar" air of the entire building - a recently consolidated heritage building - but offers at the same time all the facilities and benefits of modern equipment.

This is a special apartment, ideal for whoever wants to enjoy the advantages of living in the very center of the town with direct access to all the hot spots of Bucharest: The Royal palace, Romanian Athene, Cismigiu gardens, casinos, commercial areas and the Old Center.

Fully furnished, with good taste and featuring good quality finishes, this apartment ensures the concordance between the outer comfort of the area and the inner comfort, being an ideal place to live.
