### Description

Boemia Apartments is an internationally awarded project with the distinction of Best Architecture Multiple Residence Romania in the European Property Awards 2019.

The efforts and results of the Boemia team were recognized in the most important real estate event, International Property Awards, promoters of excellence in the international real estate market.

The building benefits from a location in a quiet area, is structured Ug + Gf + 5F, has video surveillance, and this apartment has view towards an inner courtyard.

The proposed apartment is located on the 1st floor, it is spacious, with a usable surface of about 56 sqm and a compact balcony of 6 sqm, with separate kitchen. The furniture is of very good quality, in light, neutral colors, own apartment heating unit, underfloor heating.

The apartment offers a GREEN OASIS IN THE CITY CENTER, by:

- Location secluded from the main boulevard, sound insulation provided by Triple glazed windows
- Access to the indoor garden that offers spaces for relaxation and meditation
- 2 elevators with direct access to the underground garage
- Smart Home system for intercom & video intercom, smart sockets or smoke and water detectors
- Underfloor heating system that can be controlled both locally and remotely (via smart phone)
- Premium finishes
- The best quality furniture and equipment that ensures daily comfort

The building has an excellent location, in the immediate vicinity there are restaurants and cafes, subway, all at 4-5 min. walking.
