### **Description**

BLISS Imobiliare presents a 2-bedroom apartment, located in the Central Park Complex, near Parcul Circului.

## The apartment is recently renovated, furnished and equipped.

It has a total area of 123 square meters and consists of 2 bedrooms, a spacious living room, 2 bathrooms, a kitchen, hallway and balcony.

The apartment also benefits from a parking space.

The location of the apartment is central, with easy and quick access to the facilities and points of interest of Bucharest. One of the most important benefits of the area is the easy access to public transport, with metro stations, buses and trams nearby, which will make moving around the city faster and more convenient. The metro station Stefan cel Mare is only a 5-minute walk from the apartment, and the bus and tram stations, which are meeting points for lines 330, 5, 1, 335, are also just a few minutes away.

The apartment is in close proximity to the Dinamo Sports Park, which is open non-stop to the public and where you can train and enjoy the 2 swimming pools, the athletics track or the fitness room. Also, just a few minutes' walk away is Parcul Circului, the perfect place for outdoor exercise or moments of relaxation in nature.

Due to the central positioning of the apartment, you will enjoy a large number of shops, restaurants, cafes, clinics, beauty salons, and other local businesses that will satisfy your every wish or need, and are necessary for a comfortable and modern life.

The Stefan cel Mare area is also known for the large number of nearby hospitals, such as the Colentina Hospital, the Euroclinic Hospital, the St. Stefan Hospital, or the Matei Bals National Institute of Infectious Diseases.

The location is suitable for a family with children due to the large number of schools and kindergartens in the area, and the easy access to higher education institutions.
