Description

Solid and cozy, warm house in Crevedia Dambovită.

This house has been built with the best materials and with a solid foundation offering a long live construction. The total land area is 594 sqm with a print of 86 sqm leaving a landscaped outside area of almost 500 sqm.

ON the ground floor there is a split level between the living and kitchen area. The modern kitchen is very spacious and fully equipped.

With large windows you benefit of a lot of natural light and from the living you access the outside terrace and garden.

Further the ground floor benefits of a bathroom with shower.

On the first floor you access a large hallway that can be easily turned in the third bedroom, two bedrooms and a bathroom.

The outside area with lots of fresh air being in the countryside, and still near the city of Bucharest, is well arranged with lots of greenery and live animals corner.

The technical space is in an outside shed and contains the central heating system.

Living in the fresh air and still close to Bucharest with peace of mind and relaxation when at home? This is the place for you.
