Description

3 Bedroom detached apartment located in the Aviatorilor area, near the Arc de Triomphe.

Detached apartment close to the Televiziunea Romana in a quiet area

The Aviatorilor neighborhood, located in Sector 1, between the north and the center of the capital, is a select area, a nucleus of neighborhoods of this type.

Aviatorilor metro station, bus lines and good road infrastructure facilitate an easy journey to the rest of the city. It is an open area, with low density, where boyar houses predominate, dating from the first half of the 20th century.

Large buildings, such as modern blocks of flats or office buildings, have recently begun to appear. The historical significance is consolidated, being still a land of embassies and prophecy locations.

The number of educational units is low, but the presence of private medical centers provides high security.

The exclusive restaurants, the Museum of Recent Art or Herastrau Park offer the possibility of various activities, while keeping the inclination of the area towards culture, aesthetics and a bohemian but modern life.

The apartment has a usable area of 96.5 square meters, is fully furnished and equipped, being newly renovated.

From the point of view of the endowments, it has central heating and air conditioning.
