### Description

1 Bedroom apartment, ultra-centrally located, 2 minutes from the Radisson Hotel, on the 6th floor, in a 9 storey building, built in 1960, overlooking Calea Victoriei, that also benefits from a common courtyard with small park and benches.

## Apartment overlooking Calea Victoriei with quick access to the subway

The apartment has an usable area of 45 sqm, and the partitioning is as follows:

- bright living room
- bedroom with balcony with a harmonic door between them, aluminum joinery of the best quality and noise reduction system.
- the balcony is arranged as a bedroom extension, enclosed in glass with remote control opening / closing system extendable armchair in the balcony, ceiling mounted heater
- fully furnished and equipped kitchen
- bathroom with shower
- former closet turned into a wardrobe.

The apartment is decorated with attention to detail, in a classic style, with refurbished Lengyel solid wood furniture, small contemporary accents and top quality finishes.

The apartment also has built-in appliances, washing machine with dryer, air conditioning, ambient lighting throughout the building and a tv.

This property is located in one of the most famous and beautiful areas in Bucharest, where most of the cultural points of interest can be found. It has easy access to public transport, especially to the Piata Romana metro station.
