Description

Recently fully renovated 3 bedroom house situated in the American Village residential complex in Pipera, north of Bucharest.

In the American Village residential complex in Pipera

This house has a ground floor, first floor and attic.

In the back and side of this property is the garden and in front you find, in addition to the garage, two more parking places.

The house has full underfloor heating and the heating and warm water are delivered by an individual gas heating system.

On the ground floor you find the entrance hallway from which you enter the guest toilet (with the heating system), the garage and the living room with the semi open kitchen.

The kitchen is fully equipped including a dishwasher. From the living room you will access the terrace and garden.

The many large windows offer a wonderful and bright space for you and your family.

From the stairs you access the first floor where you will find 3 spacious bedrooms and 2 bathrooms. Two bedrooms have their own balcony.

In the attic a large open space awaits you suitable as guest bedroom, office space, playing area for the children or a very nice hobby room. Storage areas and a bathroom complete this floor.

A home for a family with children! Safe, spacious and welcoming!
