### Description

We present you a 3-room apartment, semi-detached, in sector 1, the Baneasa - Gheorghe Ionescu Sisesti area.

## Balcony with panoramic view of Baneasa forest

The apartment is spacious and bright with a usable area of 80 sqm and a 5 sqm balcony with a panoramic view of the Baneasa forest and multiple storage spaces.

Fully furnished and equipped with state-of-the-art appliances, in the 3 rooms there is a spacious living room and 2 bedrooms.

The kitchen is fully equipped, including a dishwasher and for the two existing bathrooms, one has a bathtub and the other one a shower.

All rooms have large windows that provide plenty of natural light, this being an excellent place that you can call home.

From the point of view of finishes, the property has premium ones, as well as custom-made furniture and among these we mention:

- Interior / exterior Pinum doors,
- 18 mm solid oak parquet,
- Electrically operated outdoor roller shutters in the living room,

- Faience, sandstone,
- Mobexpert furniture.

The heating and cooling of the rooms are provided by underfloor heating and air conditioning.

The building benefits from 2 available parking spaces at additional cost.

The area benefits from international schools, supermarkets, and easy access to the rest of the areas of Bucharest.
