Description

Investment opportunity - 47 Land plots for residential development for Sale South of Bucharest

Plots have regular shapes and have single, double or triple frontages.

The property

The property consists of 47 residential land plots (total 29.988 sqm) in exclusive share. The land plots have regular shapes and have single, double or triple frontages. 5.843 SQM has been reserved for access roads within the complex.

The land is within the residential zone and PUZ is available.

The location

The subject property is located in Magurele, Ilfov County, near the Bucharest ring road, a developing area, with access on exploitation roads.

There are mixed properties: arable land plots, residential, commercial and industrial properties. Big chain supermarkets, shops etc. are in the proximity.

The area is attractive for the easy access to the Bucharest ring road and ample public transportation.
